#5- I KNEW YOU WERE GONNA DO THAT ASSHOLE!

This is when you see a four-wheeler rushing up alongside a big trucks blindside and squeezes between the big truck and the car in front of them.

#4- SMOOTH MOVE JACKASS!

This is when a four-wheeler cuts off a big truck from the left lane and goes all the way to the right lane to exit the highway.

#3- NICE MOVE STUPID!

This is where a four-wheeler cuts in front of a big truck from the left lane just to move back into the left lane and continue down the road.

#2- HOW ABOUT A TURN SIGNAL ASSHOLE!

These are people that change lanes in front of a big truck without using a turn signal.

#1- THANKS DICKHEAD I NEEDED A NEW HOOD ORNAMENT!

This is a four-wheeler that cuts in front of a big truck and hits the brakes causing the big truck to almost hit them (and thus giving the big truck a shiny new car for a hood ornament).
