Internship for High School STEAM program 2020-2021

Dear Student,

Welcome to IFLEED Institute of Math and Science LLC internship program. To be eligible to participate, you must attend a local high school (within 30 miles of Wausau, be at least 14 years old by the start date of the program, be in good academic standing, and maintain at least a 3.5/4 grade point average.

Students who would like to pursue a career in the field of Science, Technology, Engineering, Art, Math, Medical and Education are encouraged to apply.

Students who are selected to participate in the Ifleed STEAM program are chosen based on demonstrated skills and merit. The 2020 Ifleed STEAM program begins on September 14, 2020 and concludes on May 31, 2021. Successful applicants must be available to work the duration of the program. To apply to the Ifleed STEAM program, follow the steps listed below.

We are only taking 2 students this year due to covid. This is not a paid internship. Students will get both volunteer hours and a certificate as you complete each year of internship. You must complete a new application package for each academic year in which you wish to be considered.

1. Complete the Student Application Form, legibly printed or typed.
2. Have two adults who know you well (at least one from school) complete a Reference Form and submit them with your application via email. Be sure to write your name in the space indicated on the forms before giving them to your references.
3. Return the Application and two Reference Forms to the email address listed below.
4. Obtain copies of your high school transcripts to date and a list of the classes you are currently taking.

If you are selected for an interview, these copies must be provided to ifleed at the time of your interview.

APPLICATIONS MUST BE EMAILED BY AUGUST 15, 2020
