

Dignity Works is committed to helping enrich the lives of individuals with intellectual and developmental disabilities (I/DD) through vocational and social opportunities.

Dignity Works partners with companies and organizations to provide individuals with I/DD vocational opportunities. Currently, we are collaborating with St. Stephen's Church to make their Operation Backpack and Summer Food Program a success.

Let DIGNITY WORKS be your Personal Shopper!

Dignity Works Volunteers (young adults with intellectual and developmental disabilities) will purchase the items for either Operation Backpack or the Food Program and deliver the complete item to the church. You will receive an e-mail when your order has been completed!
