

Volunteer Opportunities

| Opportunity | General Description |
|---|--|
| Follow-up / Spiritual Provider | Many of those we assist are in poor health physically or mentally. You could provide a huge benefit to our society and brighten their life by simply making a few phone calls to these clients to check on the and let them know that someone cares and Prays about them. |
| Household Donation Coordinator | We have received calls on the hotline, as well as from Social Ministry, from parishioners looking to donate furniture or household goods. Additionally, we receive calls from home visit teams pointing out people in need of furniture or household goods. As Donator Coordinator, you would work with the hotline volunteers, Social Ministry, and the home visit teams, to arrange and coordinate the exchange of goods. |
| Food Delivery | Sometimes, we get a call from someone who needs food but has no transportation. This is a situation that must be handled immediately. You would go to Social Ministry, collect the food set aside, and deliver it to the client. As with the home visit teams, we should always try to go in pairs. |
| Fund Raising Committee | Volunteers who are familiar with the mission of SVdP are needed to assist in fundraising events for the Society at SMG. |
| Furniture Moving and Delivery | We often receive calls from those who have no bed in which to sleep, no table at which to eat. Often, we can find donations of used furniture but the client has no way of retrieving the furniture other than paying an acquaintance. Sometimes we have helped clients downsize and move their treasured belongings to a storage unit. If you have a truck and are willing to deliver or help move furniture and donations to our clients you would earn a Palace in Heaven! and a lifesaver. You would work with the Household Donation Coordinator. |
| Home Visit Assistant | Take the lead on a case, or if you want to learn more before you decide if you would like to become a client advocate, this is the job for you! |
| Home Visit Lead | We need of home visit Vincentians to handle the influx of cases we receive weekly. Offering person-to-person service via home visits makes SVdP unique. We visit those in need in their homes to assess their needs. |
| Hot Line Operator | All our cases begin with a call to our hotline. This is a job that can be done from home. You would work with others on a rotating basis retrieving calls from the hotline, collecting information from the callers, researching potential assistance referrals, and distributing the cases to the home visit teams. |
| Membership | Trained volunteers are needed to assist in acquiring new members, welcoming them, explaining the mission of the Society at SMG, and assessing their skills for placement in a volunteer position. |
| Support and Discernment Advocate - Stewards | Trained volunteers willing to attend our regular monthly meetings, as well as receiving triage emails, assisting the group with our discernment process and helping the conference be good stewards to our donors. |
| Youth Volunteer | Under the supervision of our Spiritual Director and her Assistants. Special Clearance. PNO. Remote Parking Events. |

SAINT MARIA GORETTI CONFERENCE - SMG SVDP - HOT LINE: (817) 260-0376
