

Dear Members and Families of Mayfield Netball Club Community

We are excitedly preparing for the 2024 season and need to update you all with some important information about the upcoming season.

Registrations will be opening on 1 January 2024. Our Club is one of Metro's largest Club's and we do need to cap our numbers in each age group. Once registration caps are reached, we will have a waiting list available. Please ensure you register as quickly as possible to avoid missing out. A registration link will be available on our website or you can register via the NetballConnect App. Registrations will be closing on Sunday 28 January 2024 at midnight unless registration caps are reached earlier. Our NSG 7 – 9 year age groups will have extended time to register.

NB: If you are entitled to a Fair Play Voucher, please do not register until you have your Voucher. You will need to email the Club to reserve a spot as the next round has not opened. If you do register prior to having your voucher, we will not be able to reimburse you.

Before you register, please ensure you check training times and days on our website to ensure this fits your schedule. Game times are yet to be confirmed however below is proposed starting times:

Fees

Our Fees have increased slightly this season in line with Netball Queensland and Metro's fee increases so please ensure you budget now as payment is required at time of registration.

Uniforms

10 Years – just a reminder that our 10-year age group will progress to an A-Line dress.

Bike Pants – our members may now wear black bike pants or Mayfield bike pants. The black bike pants must not show a logo, be no longer than your A-Line dress and be modest.

Please check our website for all non-compulsory and compulsory uniform requirements including size guides and where to purchase bike pants. Uniform orders are through NetballConnect and can be placed at time of registration if you know your size. If you do not know your size, we will be opening our uniform shop for try ons after trials are completed. All uniform enquiries are to be sent to uniforms@mayfieldnetball.com.

Training

Some age groups have changed training days and times so please ensure you check our website for your training day to ensure it fits your schedule.

Opens training will continue to be a more relaxed requirement. If you are concerned about your school or work commitments, you will have the option to skip training if you need and not be penalised on Court time. Training will still be on however it will be at the discretion of your coach and in consultation with your team after team selections have been finalised.

Trial Dates – 10 Years and Up

Our trial dates are now available on our website. If you cannot make a trial date, please email the Club to advise. It is preferred that players attend all trials. Trials are a way of placing players into like ability teams, you don't need to be an experienced player, we cater for beginners to advanced.

NetSetGO! 7-9 Years

Meet your team and training start date will be advised but this is generally in March.
