**Please review our policies and then sign and date at the bottom:**

**Emergencies:** In the event of an emergency, I authorize The Comb & Collar Canine Spa and Salon to immediately seek professional veterinarian care (at my expense). I understand that all attempts will be made to contact me in the event of an emergency.

**Coat Condition:** I understand that The Comb & Collar Canine Spa and Salon puts my pet's comfort above all else. In the event that my pet's coat is matted, I understand that the groomer may have to shave the matts out rather than perform a painful dematting procedure. I also understand that if my pet is severely matted, that there is an increased risk for clipper burn or cuts to occur. I understand that all attempts will be made to prevent this, however in many extreme matting conditions, it is unavoidable. I also understand that matted pets take additional time to groom so there will be an additional fee added on the regular grooming price if my pet's coat is matted.

**Health:** I understand that grooming can be stressful to some pets and will inform the groomer if my pet has any heart conditions or any stress related issues prior to grooming. I also understand that it is necessary to have my pet up to date on all vaccinations prior to every grooming.

**Behavior:** I understand that in the event that my pet becomes difficult to groom and requires more than one groomer to complete the groom, an additional handling fee will be added on to the regular grooming price. I also understand that in the event that the groomers decide it is too stressful for my pet to be groomed in their care, they will immediately contact me to pick up my pet and I will be charged for services that were completed.

**Early Pick up:** I understand that if I return to pick up my pet before I have been notified of his/her grooming completion and my pet is currently being groomed, the groomer will have to stop the grooming process and your pet will be moved to the back of the grooming schedule, in order to give your pet proper time to calm down so the groomer can safely continue the groom.

**I agree to all of the policies of The Comb & Collar Canine Spa and Salon:**
