

D. Scott Martinez

Latino Businessperson, Lawyer and Politician

Scott is a visionary businessperson with a blended background in law and politics. He relies on his unique career experiences to provide smart commentary that reflects Democratic policies.

As a leading Latino entrepreneur, politician, and lawyer, he provides crucial insight into how political issues such as gerrymandering, can affect the economics of communities of color long-term. Known for public advocacy and equity, he makes the connection between fair government policies and fair economic participation for businesses.

Scott is a polished speaker and Democratic strategist that provides succinct recommendations on progressive policies that actually work.

He is also a subject matter expert on redistricting and its partisan effects and consequences on disenfranchised communities. Scott is a go-to for confident and accurate commentary on business, politics, and the law.
