

### **Speaker Bio – Simon Anderson**

Simon Anderson is a Futurist and Applied Foresight Consultant with his company Venture Foresight, LLC. He has dedicated his career to helping leaders around the world be Future Ready, able to navigate the challenges and capitalize on the opportunities created by rapid change.

Simon co-authored the award-winning book *Foresight 20/20: A Futurist Explores the Trends Transforming Tomorrow* with fellow global futurist Jack Uldrich. His work as a futurist also informed roles as an advisor to several technology startups and a multinational education non-profit organization. With travels to more than 25 countries, he brings a global perspective to his work with clients in a wide range of industries.

Simon's insights on emerging technology have been featured in a wide variety of publications including *Crain's Business News*, *Fleet Owner Magazine*, *Commercial Factor*, a publication of the International Factoring Association, the Austrian management magazine the *Hernsteiner*, and *Executive Connections*, a publication of the International Executive MBA Council. In the fall of 2021, Simon co-launched two new courses under his *Future Ready Economy* brand focused on helping executives and organizations thrive after the pandemic.
